## WELCOME

The Bay Tree Cleaning Company offer a range of services to help you manage the day-to-day running of your home. We understand that every home is unique and personal to the people who live there and will firstly discuss your requirements before matching you with one of our carefully selected cleaners.

Trust is a vitally important aspect of our business and all our cleaners are fully vetted, professional and insured.

Plus, with a dedicated management team to assist with any worries that may arise and to find cover should your cleaner be off sick or on holiday, you can be confident that The Bay Tree Cleaning Company will offer a friendly, trustworthy and thorough service.

We specialise in cleaning homes on a weekly basis and can adapt our cleaning routine to suit you.

We even do the nitty-gritty jobs like the inside of cupboards or behind radiators.

You can meet your cleaner on the day of their first clean or at a pre-arranged time to show them around your home and to give them any keys or instructions. We will contact you after you have had two cleans to check everything is going well.
